**Harper Government Ignores Torture Opponents' Call to Ban Dick Cheney from  
 Canada or Prosecute Him  
 Protest Planned on Halloween at Metro Toronto Convention Centre**

(Toronto) Lawyers from the National Lawyers Guild (U.S.), International Association of Democratic Lawyers, European Centre for Constitutional and Human Rights (Germany), Brussels Tribunal (Belgium), International Initiative to Prosecute US Genocide in Iraq (Iraq, Egypt, Spain), Lawyers Against the War (Canada) and Rights International Spain (Spain) are urging Canada to either bar Dick Cheney from Canada – as a person credibly accused of torture – or to arrest and prosecute him on arrival, as required by the Convention against Torture. A letter from Lawyers Against the War (LAW) sent to Canada's Prime Minister, Attorney General and Ministers of Foreign Affairs and Immigration has been gravely ignored.

"It is long overdue for Cheney and other Bush administration officials to be held to account for the high crimes of instituting and implementing the systematic practice of torture. This record of impunity must not be allowed to stand."

Azadeh Shahshahani, President, National Lawyers Guild.

Torture and war crimes suspect Dick Cheney is scheduled as a keynote speaker at the October 31<sup>st</sup> luncheon of the Toronto Global Forum, hosted by the International Forum of the Americas. Should Cheney be allowed to freely enter Canada despite the illegalities involved, civil society groups are planning a rally beginning at 11:00 am on Halloween, Oct. 31<sup>st</sup>, outside the Metro Toronto Convention Centre.

The Facebook page for the protest can be viewed [here](#).
